The event featured the first trial in Australia for British rider Grahame Peace and Scotsman Ali Shedden also the debut ride on the new GasGas 125 for rapidly improving junior, Jason Byrne. A big thanks to Amy McGlinchy as Clerk of the Course, Keith Greentree as Steward and Teresa McMellon as Scorekeeper.

The first Round of the NSW Trials Championship scheduled for Mount Kembla 4-4-04 had to be called off due to torrential rain making the complex unusable. The Wollongong club has put a lot of work into the sections and still wish to run the Open on a date yet to be finalised.

The BWP Open at Menai will be on the 27th June 2004 and once again we will require officials as observers. Experience is not necessary as training is given on the day. This event will feature the top trials riders in Australia, and last year was a great success. If you are able to help out, please contact chief observer Bob Tindall on 02 4684 3486.
