## JULY MOTOTRIALS REPORT

Round three of the 2004 NSW MotoTrials Titles held at Menai on 27/6/2004 was again a huge success with many BWP members putting in a great effort as officials in the dry and dusty conditions. I received plenty of positive feedback from nearly all the riders but I think the C Grade was a little hard and the Clubman could have been harder. Huge thanks go to Mick Byrne for the Expert and A Grade splits and also congratulations for a fantastic ride. Not sure about next year yet as this one event takes me months to put together and tends to stress me right out. As President I would sincerely thank all involved and remind you of the final round at Mount Kembla on 18/7/2004.

Due to lack of nominations, Motorcycling NSW was unable to elect a Trials Sport Committee at the AGM. The MNSW Board has appointed me as Trials Administrator for the year. If any members have any constructive ideas on how we can improve our sport please feel free to share them with me.

Round 2 of the BWP Trials Championship is scheduled for 12/9/2004 at Menai and will hopefully turn out as good as Round 1. If anybody would like to help Steve Byrne and myself set the sections please give us a yell. This will be the final round with the presentation to be held in conjunction with BWP's only afternoon Trial in late November or early December. Still waiting on ideas from you guys.

Big news at the moment is a proposal to hold a round of the World Indoor Trials Championship in the Rod Laver Arena, Melbourne in late February or early March 2005. If this goes ahead we may be able to organise a group concession for BWP members. More as it becomes available.

I went to a meeting for the 2004 Australian MotoTrials Championship Committee on the Saturday before our Open. BWP has a financial commitment to the event along with the other involved clubs and it important that this event is a success for us all. Officials are required for the main championship but remember, the Walter Barnett Smith Memorial Trial, which will be on the Friday for those riders that don't have a class in the major titles plus those that will be acting as officials on the Saturday and Sunday.
