

## MAY MOTO TRIALS REPORT

The annual Glenmaggie Two Day Trial was again a great event well worth the long drive. Each day featured 15 sections over a very long loop with Expert, A and B Grade riding 3 laps and all others 4. Five B.W.P members competed with Jason Byrne Easily winning Junior, Mick Byrne taking second in Expert and Bob Tindall third in Clubman.

The first round of the BWP Club Mototrials Championship was held at Menai on the 24.4.2005 with a good entry of 34 riders. The 8 sections turned out fairly good but could have been a little harder for the lower grades. The club is gaining in strength with 13 members competing and a lot of interest in participation from spectators. Welcome to new members Chris Challen, Robert Fraser, Graham Peace and Gary Boniface. The next round will be on the 4.9.2005 and the final on the 13.11.2005.

Good to see BWP Expert Michael Byrne getting the credit he deserves with a 12-month contract to perform in trials demonstrations in Indonesia and Saudi Arabia. H2O Promotions approached Michael along with other young elite trials riders to become involved along with Trampoliners, Water Skiers, Free Style MX riders and the like in some very exciting events. Michael started in the club as a Junior and is currently ranked Number 4 in Australia. He has ridden Internationally and has represented Australia twice in the Trials Des Nations Team and was also a member in the successful Trans Tasman Team. I'm sure all BWP members join me in wishing him great success in this venture.
