## **HELP NEEDED**

BWPMCC will again promote an Open Moto Trial this year. The event will be on the 16<sup>th</sup> July 2006 at Heathcote Road West Menai and will feature Round 3 of the NSW Moto Trials Championship. The trial highlight will be the Open Solo class and again will see Australia's best riders vying for Championship points on the huge rocks, which are a feature of the Menai venue.

An event of this magnitude requires a lot of Officials, at least 20 Observers. Training and refreshments will be provided on the day.

If you are able to help, please contact the Officials Coordinator BOB TINDALL on 02 4684 3486 A.S.A.P.

## **PRESIDENTS REPORT**

As the club enters it's 55<sup>th</sup> year, the future viability looks uncertain. In 2005 we saw the last B.W.P. Road Race and the only promotions in the future will involve Moto Trials. Many other long established Motor Cycle Clubs are in the same situation and in the past few years have folded, in part due to a total lack of interest and members not being prepared to become involved in the club's Management and Event Organisation.

This club is financially stable mainly due to some very successful Road Race management in the past by Keith Greentree and to a lesser extent the income from previous Open Moto Trials. With Road Race now a fond memory and the subsequent loss of membership that followed, the club is becoming much smaller and the income flow limited.

Of major concern is the club's management which in the past 10 years has relied entirely on the same small core of 7 members which are usually the only one's that bother to attend the Monthly Meetings. This situation will not continue forever with a definite injection of interest required from other members if the club is to have any future at all.

Bankstown Wiley Park meets the first Thursday of the Month at the Bankstown Sports Club commencing at 7.30pm. If you would like to come along contact Bob McGlinchy on 02 96011260 AH.

## **MOTO TRIALS REPORT**

The first Round of the BWP Club Championship was held at Menai on 23/04/2006 with a good total entry of 29 riders. Eight Sections were set to the right of the car park on the top of the ridge. Many thanks to Michael Byrne for his help with the Expert and A Grade splits and Keith Greentree as Steward for the event. The Sutherland Police passed through 3 times during the day and greatly helped minimise the other illegal/ ratbag activities going on around the area.
