To be eligible for a trophy these riders have competed in 3 out of the 4 rounds. Some classes have insufficient numbers of riders to issue a trophy for that class.

If we don't see you at the Presentation Day we wish you all a merry Christmas and a happy New Year. There are many races being held next year, and we wish you the best of luck in your competition.

TRIALS REPORT

The trials season is quickly drawing to an end of a year that has been a good one for the club. Our open trial last June had the biggest entry for many years and our three club days were also all very well supported. Most importantly the Gandangara Aboriginal Land Council are willing to let us use the Menai grounds for future trials events. A special thank you to all the riders, members, family and friends who have all made the BWP 2001 trials season one to remember.

Our much anticipated rider training day will be at Menai on the 25-11-2001 commencing at 10 am. The day is mainly for c grade, clubman and juniors with instructors Steve and Mick Byrne. The day is at no cost and is for full BWP members.

Well done to the following BWP trials riders for a top effort over the NSW trials championship. Mick Byrne continued to show top form with an impressive 4th place in the elite open solo class. Steve Byrne showed the style that took him to A grade (in the good old days) to take 3rd place in the very competitive masters class held for the first time this year.

The BWP annual presentation and children's Christmas party will be held again this year at the Nepean Dam via Bargo on Saturday 15-12-2001. This day has been very popular over the years and I hope to see you all there.

BWP has applied for an open trial date next year, which will again be a round of the NSW Trials championship. The date is 30-6-2002 and once again I will require a lot of help from our members to make the event work. To date the trials club of Canberra have again applied for 2 open days.
