# ROAD RACING

I would like to thank all the Road Racers who turned out to help at the NSW Championship trial held at Menai on June 30<sup>th</sup>. It made the day run smoothly and was appreciated by Bob McGlinchy and the Trials guys. I am sure that you all had a great day. The weather was fine and warm and the tea and coffee made the difference when it started getting cool in the afternoon. Once again a brilliant display of trials riding was put on by the competitors. It was good to see that one of these road racers competed at trials meeting the next week.

## RB Imports Rd 2

The 2<sup>nd</sup> round of the RB Imports Series was held at Wakefield Park on the 5<sup>th</sup> of May

The day started out a bit foggy but cleared up to be nice and warm. There was a lot of good racing and quite a few spectators to witness it. Cameron Dale won the day with 170 points with Gavin Hainsworth a close second on 165 and James Patrick on 161 in third.

A lot of people stayed for presentation of trophies and the BBQ after racing.

## RB Imports Rd 3

The 3<sup>rd</sup> round of the RB Import Series was held at Eastern Creek on the 16<sup>th</sup>.

The day started out fine, but a few delays saw the weather deteriorate by the time the first bikes were on the track. After looking like rain the weather remained cloudy and windy all day.

With 134 riders entered the 300 odd spectators had plenty of dicing to watch.

Points for the day went to Paul Campbell and Jai Curtis equal on 95, with Cameron Dale gaining 90 with Gavin Hainsworth collecting 86.

It was great to see a big roll up to presentation of trophies and the BBQ after racing. There were only a few trophies not picked up.

I would like to thank all the riders for their patience at this meeting.

Thanks to all the BWP members, and members of the other clubs, who helped to make the meetings run smoothly.

# TRIALS REPORT

A lot has happened with the club's Trials scene since the last report. The second Club Championship Round was a great success, with 43 riders and 8 sections. A big thanks to Steve Byrne for his work in preparing the sections for this event.

The BWP/Lower Mountains Open Trial at Menai was again well received by all but a few competitors, and I guess will be remembered as a success with over 80 entries, on a perfect, cool day. It was a huge commitment by the club for not only our members but also their families who helped with the many official jobs required for an event of this magnitude. As president I would sincerely like to thank all involved for a great job. Queensland's Brendan Hornsby, for the second year, well and truly left all in his wake for an easy win in Expert. BWP's expert ace Michael Byrne put in a magnificent effort for 4<sup>th</sup> in Expert, and younger brother Jason, in his first open trial, piloted the brand new Gas Gas 80 to second place in Junior. Well done boys!

At this stage, I doubt whether I will be involved at all in future Open Trials as the effort put in to organise an event at this level is becoming more demanding and I experienced real trouble coping this year.

Don't forget the 3<sup>rd</sup> Club Championship round at Menai on the 15<sup>th</sup> of September and our Clubs Presentation/Children's Christmas Party at Nepean Dam on Saturday November 30.
